FRESCHE SOLUTIONS

Workflow Process & Documentation
Preserve IBM i Knowledge

Don't let IBM i knowledge walk out the door when your developers leave. Workflow Process & Documentation captures the technical, architectural, and business details to create a structured knowledge base and prepares organizations for whatever comes next.

The Value to Your Business

- Create a structured knowledge base in PDF, Word, or Confluence.

- Document business domains, modules, system interfaces, and data models.

- Rationalize inventory to remove obsolete or unused code.

- Refresh X-Analysis repository to maintain up-to-date content.

- Capture critical knowledge to ensure continuity and preserve expertise.

- Support future changes, onboarding, audits, and compliance readiness.

Case Study

VOLVO

Volvo partnered with Fresche to gain full visibility of their external data flows and interfaces using X-Analysis. With Phase 1 completion, Volvo successfully analyzes and documents all inbound and outbound data to drive greater control and efficiency.

How It Works

Phase 1
Design, Setup, and Effort Estimation

Identify which applications are in scope with X-Analysis.

Define documentation requirements with your team to set expectations.

Create a documentation framework with the tool that fits your organization—Word, PDF, or Confluence.

Estimate the effort required to complete the project.

Phase 2
Documentation Generation

Prioritize tasks with a clear work plan aligned to goals.

Capture key application knowledge before IT resources retire.

Create an accessible and easy-to-maintain knowledge repository.

Separate in-use apps from outdated ones to keep documents relevant.

Document business domains, modules, interfaces, data models, and technical details.

About Fresche Solutions

Innovators in AI-powered IT modernization, Fresche manages and maximizes the value of IBM i and Microsoft business-critical systems. Our market-leading IP and proven solutions in Modernization, Managed Services, Data Analytics & AI, and Software have earned the trust of global leaders from 2,200+ companies.
